

Mölnlycke Gauze swabs and sponges

Mölnlycke gauze swabs and sponges are supplied in various sizes and packaging configurations. The quality is constantly monitored to secure compliance with the European Pharmacopoeia.

Areas of use

Mölnlycke gauze swabs and sponges have a wide range of applications. They may be used for absorption, wound cleansing, protection, disinfection, or padding.

Mölnlycke gauze swabs and sponges are available in a number of sizes, both sterile and non-sterile. All sponges have a latex-free silicone ring.
