Trade name: Molda

· Protective equipment: No special measures required.

6 Accidental release measures

- · Person-related safety precautions: Not required.
- Measures for environmental protection: No special measures required.
 Measures for cleaning/collecting: Pick up mechanically.
- · Additional information: No dangerous substances are released.

7 Handling and storage

·Handling

- · Information for safe handling: No special measures required.
- Information about protection against explosions and fires: No special measures required.

· Storage

- Requirements to be met by storerooms and receptacles: No special requirements.
- Information about storage in one common storage facility: Not required.
- · Further information about storage conditions: None.

	tional information about design of technical systems: No further data; see item 7.

10 Stability and reactivity

Dangerous reactions No dangerous reactions known

Dangerous products of decomposition: none

11 Toxicological information

- Acute toxicity:
 - Primary irritant effect:
 - on the skin: No irritant effect.
 - · on the eye: No irritating effect.
 - Sensitization: No sensitizing effects known.
- Additional toxicological information:

The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version: When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

12 Ecological information:

General notes:

Water hazard class 1 (German Regulation) (Self-assessment): slightly hazardous for water. Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

13 Disposal considerations

· Product:

Recommendation Smaller quantities can be disposed of with household waste.
